

Birt & Rose Bontrager

My wife and I live in the Goshen, IN and attend Griner Mennonite Church. We were married Dec. 18, 1976 and are the parents of six children. Janell, our oldest daughter, is a registered nurse. Jared works in a machine shop. Kristi is a high school English teacher and is married to Christopher Manduka, a graphic artist. Nadine is an independent living program coordinator for troubled teenage girls. Dakota and Emeli live at home and are homeschooled. Our involvement with CFC includes getting supplies organized and also helping with visas for those traveling to Ghana. It has been a blessing to see God's hand at work in the mission. Our prayer is that we will be vessels in God's hand to further His kingdom.
