

John and Anna Fern King:

We live in Kalona, Iowa and attend the Sunnyside Mennonite church where I am serving as senior pastor. We have four children and they are all married. We also have twelve grandchildren which we enjoy very much. We enjoy traveling and have made numerous trips to Ghana and have been involved with the crusades and medical clinics first handily. It is always a challenge to go and see the many spiritual and physical needs of the people and observe believers growing in the Lord.
