

## **Victor and Sheryl Miller**

My wife and I live in northern Indiana with our family. We have four children: Austin , Hannah , Starla and Sonya . We attend Griner Mennonite Church in Middlebury, Indiana. I enjoy being on the board and seeing the physical and spiritual needs of the Africans being met through the Bible school and medical clinics. My job here in Indiana is working in a recreational vehicle factory. I work with a lot of different types of equipment such as saws, welders, etc.

In my spare time we like to travel and fish. A highlight was to travel to Ghana with my son in Sept. 2006. It really made an impact on our lives and we want to do what we can to help bring the Gospel to all the world.
